## **BEERS**

*“Love thy neighbour’ said a bearded man about 2018 years ago. And he couldn’t be more right today because boy, do we love ours! They are the super skilled brewmasters of Antwerp City Brewery De Koninck so what is not to love about these hard working, beer slinging liquified happiness providers. Proudly we serve their delicious ultra local brews including some of their limited experimental beers. Can’t think outside the bottle? Then grab one from our stash representing Belgium’s finest beers ever captured in glass.*

## DRAFT

### “BOLLEKE”

DE KONINCK 5,2% (25 CL) € 3,00

*Brewed by our beloved neighbours this liquified Antwerp pride has a clear amber look and is malty and hoppy with hints of caramel and cinnamon. In Antwerp dialect, just order a “Bolleke Keuning” with Bolleke referring to the iconic glass shape.*

TRIPLE D'ANVERS 8% (33 CL) € 4,30

*Golden blonde Belgian triple with a great balance between fruity and hoppy scents with a sweet touch in the background.*

TANK 7 8,5% (25 CL) € 3,50

*At Kansas City Boulevard Brewery they have fermenter number seven, the black sheep of their cellar family. Ironically, when their brewers were experimenting with variations on a traditional Belgian-style farmhouse ale, the perfect combination of elements came together in that very vessel. You could call it fate, but they called it Tank 7.*

## **BOTTLED**

**VEDETT BLOND 5,2% (33 CL) € 3,50**

*This premium pilsner offers full-bodied, thirst-quenching refreshment from start to finish. With a slightly bitter aftertaste to keep you on your toes.*

**LOST IN SPICE 5,2% (25 CL) € 3,50**

*Sometimes you get something new by doing something crazy. Brewer Sven was totally lost in spice when he didn't put hop, but herbs in the Hop Gun. And that's how dry hopping made room for dry spicing with ginger, cardamom, orange peel and lemon.*

**DUVEL 8,5% (33 CL) € 4,00**

*Thanks to its surprisingly high alcohol content [8.5 %], enormous head, fine effervescence and silky smooth feel in the mouth, Duvel clearly stands out from other Belgian beers.*

**VEDETT SESSION IPA 2,7% (33CL) € 4,00**

*Low on alcohol, high on flavour! Vedett Session IPA is the ideal choice when you have to go the distance. Because settling in for a session shouldn't mean having to settle for anything less than a full-flavoured taste experience!*

**WILD JO 5,8% (33 CL) € 4,00**

*Wild Jo saw the light of day after a suitably wild night in the De Koninck City Brewery. Our brewers steered clear of the well-trodden path of conventional yeasts and got to work with wild varieties. The result? Pure rock 'n' roll in a bottle! Wild Jo is untamable.*

### **LIEFMANS**

**ON THE ROCKS 3,8% (25 CL) € 3,50**

*This sparkling appetizer beer, with its pale red color, is at its very best in the stylish, playful Liefmans glass and served on the rocks. Enjoy the fresh, intense flavor of strawberries, raspberries, black cherries, elderberries and blueberries.*

### **LIEFMANS YELL'OH**

**ON THE ROCKS 3,8% (25 CL) € 3,50**

*Refreshing apero beer with a bold mix of exotic fruit, elderflower and basil.*

Repetition sucks so we are going mad with our mixes, each time a refill is called for we're changing the recipe. The only thing we will never leave out? lots and lots of Tequila Espolòn and of course the best triple sec France has to offer, our beloved Cointreau. So ask your beloved waiter what today's flavors are in the mix, suck on your straw and scream "Brain freeze!"

## **AMERICAN WHISKEY**

*American whiskeys may often be categorised as pertaining to toastiness, spice and vanilla sweetness. This is in large part due to the generous use of new charred oak. Due to the excellent pairing with our barbeque dishes, we are, with good reason, big fan of our American Whiskey's, in particular the selection of our Tennessee Whiskey selection.*

### **JACK DANIEL'S TENNESSEE WHISKEY**

**OLD NO. 7 40% € 8,00**

*Mellowed drop by drop through 10-foot of sugar maple charcoal, then matured in handcrafted barrels of our own making. And our Tennessee Whiskey doesn't follow a calendar. And how we still do it today.*

## BOURBON & RYE

### MICHTER'S BOURBON € 13,00

*Michter's US\*1 Bourbon is made from a carefully selected mash bill that features the highest quality American corn. Produced in very small batches, typically twenty-four barrels or fewer per batch and aged for around eight years, Michter's US\*1 really is a great bourbon. Teasing with caramel, vanilla and dried fruit notes, this is a very pleasant drink to both spend time with and to enjoy throughout the night.*

*Their Master Distiller, Willie Pratt, has been in and around the whiskey industry for over forty years, he is lovingly referred to as Dr. No as he will never allow any casks to be released or bottled until they are just right meaning these Bourbons are typically aged longer than other producers would otherwise age theirs.*

### MICHTER'S STRAIGHT RYE € 15,00

*Michter's US1 Rye is made from select American rye grain that is sheared to maximize the extraction of flavor from the grain. Ideal neat or in cocktails, every bottle of Michter's US1 Rye comes from a single barrel.*

### WILD TURKEY 101 € 9,00

*For more than 60 years, legendary Master Distiller Jimmy Russell has been crafting Wild Turkey 101 the right way. With a high rye content, this iconic bourbon is perfectly aged in American White Oak barrels with the deepest char for more character.*

*The first New York aged whiskey since Prohibition and New York's first bourbon ever. The foundation is 100% Empire State corn, sourced within ten miles of Tuthilltown Distillers.*

HUDSON MANHATTAN RYE € 4,00/CL

*You'll be amazed at the balanced flavor and fuller mouthfeel. It's good old American ingenuity you can taste. This is not your grandfather's harsh tippie. Bottled at 92 proof, this is honest rye whiskey – spicy and rustic, yet smooth.*
