## **BEERS**

*“Love thy neighbour” said a bearded man about 2018 years ago. And he couldn’t be more right today because boy, do we love ours! They are the super skilled brew masters of Antwerp City Brewery De Koninck so what is not to love about these hard working, beer slinging liquefied happiness providers. Proudly we serve their delicious ultra local brews including some of their limited experimental beers. Can’t think outside the bottle? Then grab one from our stash representing Belgium’s finest beers ever captured in glass.*

## **DRAFT**

# COCKTAILS

*Mixed the way it should be*

*Dear Smokers,*

*Salutations and welcome to our peculiar world of fire and brimstone.*

*For your pleasure and entertainment, we have gathered a destructive collection of spirits, accomplished liquors, scrumptious tipples and awesome brews.*

*They are presented here for you by our bar team, who will not hesitate to mix it all up in a poisoned drink, a drink that will taste so holy that you'd never expect it to be so traitorous.*

*But we do it all with respect, passion and love for the craft that we represent.*

*All jokes aside, my name is*

*Donald Simons, your head bartender here at Black Smoke and it's my pleasure to welcome you here in the Black Smoke Bar with my team.*

*Enjoy the experience and if you have any questions, we are here at your disposal.*

*Donald Simons*

*Here at the Black Smoke we are very concerned about all the plastic waste in our oceans, so we decided to do something about it.*

*We are trying to ban as much plastic out of our business as possible, and one of the measures we've taken is to get rid of our plastic straws.*

## AMERICAN WHISKEY

*American whiskeys may often be categorized as pertaining to toastiness, spice and vanilla sweetness. This is in large part due to the generous use of new charred oak. Due to the excellent pairing with our barbecue dishes, we are, with good reason, big fan of our American whiskeys, in particular the selection of our Tennessee Whiskey selection.*

### **JACK DANIEL'S TENNESSEE WHISKEY**

#### **OLD NO. 7 40% € 8,00**

*Mellowed drop by drop through 10 feet of sugar maple charcoal, then matured in handcrafted barrels of our own making. And our Tennessee Whiskey doesn't follow a calendar. It's only ready when our tasters say it is. We judge it by the way it looks. By its aroma. And of course, by the way it tastes. It's how Jack himself did it over a century ago. And how we still do it today.*
