CULINARY FRIENDS

The line-up of craftsmen that we call our neighbors is top notch! Their culinary influences interlard with our dishes, and yes, their drinks are easily poured. Of course, De Koninck beers run through our bar and through our meals. But we also use meat from Luc De Laet's premium selection at The Butcher's Store. Together with Van Tricht we refine smokey cheese that you won't believe, Jitsk never stops to seduce us with their chocolate, and we serve a very special beer-infused sourdough bread from The Bakery. Great food calls for great tools, so we cut our steaks using only Zwilling knives and we proudly work with the cast iron creations of Staub and pans by Demeyere. #spon

SLOW OR FAST?

LOW AND SLOW BBQ

Now we are talking, the BBQ magic is here! Low and slow BBQ is the main area of special spice mixes, various types of wood, large pieces of meat and one hell of a wood-stoked smoker from the US.

All 'low and slow' are cooked at very low temperatures for an impressive amount of time, up 'till 16 hours. The result is an unparalleled smokey and juicy BBQ flavour. Makes you hungry? Pay attention to the notorious #soldout.

Because of the duration of the cooking and the capacity of our smoker, these platters will be limited.

FROM THE WOODFIRED PARRILLA GRILL

In the heart of hell's kitchen a custom built parrilla grill breathes fire to an untamable furnace. This is where our Black Smoke pit masters work with their 'hot and fast' techniques: red hot grills, searing and roasting high quality steaks, chops, fish and vegetables. The flames are fed with wood and charcoal and create the true taste of grilled food that you just can't get enough of. Hell never tasted this good before!

Enjoy!

(V) VEGETARIAN

After a road trip of nearly 4.500 miles and having visited 40 BBQ joints in the States, we knew it for sure: this is it!

The smell, the taste and most of all, the experience we had in several authentic restaurants of the American BBQ belt ... We had to take it with us! And so Black Smoke became the next step in our adventure.

We would blend all the recently discovered American BBQ traditions with local culinary influences for a rock-your-socks-off BBQ experience at the Black Smoke restaurant.

Our pitmasters tame the flames of fire in their hell's kitchen. It's where they prepare all Yankee-style 'low and slow' BBQ dishes on wood burning smokers and all 'hot and fast' grill classics on a very unique Argentinian parrilla grill. The result? Mouth-wateringly good! Enough with the BS, just come and enjoy yourself!
