BEERS

“Love thy neighbour” said a bearded man about 2018 years ago. And he couldn’t be more right today because boy, do we love ours! They are the super skilled brew masters of Antwerp City Brewery De Koninck so what is not to love about these hard working, beer slinging liquefied happiness providers. Proudly we serve their delicious ultra local brews including some of their limited experimental beers. Can’t think outside the bottle? Then grab one from our stash representing Belgium’s finest beers ever captured in glass.

DRAFT

DE KONINCK 5,2% (25 CL) € 3,20

Brewed by our beloved neighbours this liquified Antwerp pride has a clear amber look and is malty and hoppy with hints of caramel and cinnamon. In Antwerp dialect, just order a “Bolleke Keuning” with Bolleke referring to the iconic glass shape.

TRIPEL D’ANVERS 8% (25 CL) € 4,20

Golden blonde Belgian tripel with a great balance between fruity and hoppy scents with a sweet touch in the background.

TANK 7 8,5% (25 CL) € 4,00

At Kansas City Boulevard Brewery they have fermenter number seven, the black sheep of their cellar family. Ironically, when their brewers were experimenting with variations on a traditional Belgian-style farmhouse ale, the perfect combination of elements came together in that very vessel. You could call it fate, but they called it Tank 7.

CRAFTWORKS 9% (25 CL) € 4,00

*Are you in for an experiment?
Then let the brewmasters of De Koninck
work their beer brewing magic on you and
try their experimental brews we nicked
from their secret stash. Ask us what we
managed to get our hands on this week.*

LA CHOUFFE 8% (33 CL) € 4,30

*Chouffe is an unfiltered blond beer which is
refermented both in the bottle and in
barrels. It is pleasantly fruity, spiced with
coriander and tinged with hops.*

VEDETT IPA 5,5% (33 CL) € 4,30

*Fresh, fruity and floral notes give way to
touches of caramel sweetness, while its
superb, lingering aftertaste continues to
tantalise the taste buds long after.
Here's to a great-tasting, refreshing beer!*

BOTTLED

VEDETT BLOND 5,2% (33 CL) € 3,70

*This premium pilsner offers full-bodied,
thirst-quenching refreshment from start to
finish. With a slightly bitter aftertaste to
keep you on your toes.*

DUVEL 8,5% (33 CL) € 4,50

*Thanks to its surprisingly high alcohol
content [8,5%], enormous head, fine
effervescence and silky smooth feel in the
mouth, Duvel clearly stands out from other
Belgian beers.*

LIEFMANS FRUITESSE

ON THE ROCKS 3,8% (25 CL) € 3,50

*This sparkling appetizer beer, with its pale
red colour, is at its very best in the stylish,
playful Liefmans glass and served on the
rocks. Enjoy the fresh, intense flavour of
strawberries, raspberries, black cherries,
elderberries and blueberries.*

WILD JO 5,8% (33 CL)**€ 4,00**

Wild Jo saw the light of day after a suitably wild night in the De Koninck City Brewery. Our brewers steered clear of the well-trodden path of conventional yeasts and got to work with wild varieties.

You will notice earthy and floral aromas in the nose of this dry-hopped beer. This is a stubborn beer with a slightly sweet and sour taste sensation and a bitter aftertaste. The result? Pure rock 'n' roll in a bottle! Wild Jo is untamable.

LIEFMANS GOUDENBAND**8% (33 CL)****€ 4,50**

Liefmans Goudenband is one of the most distinctive dark beers in the world.

Originally called IJzerenband [Iron Band] – a reference to the iron bands around the beer barrels.

This deep red brown beer is very complex with aromas of vanilla, caramel, licorice, prunes and coffee.

The aftertaste is spicy, with a distinct bitterness.

COCKTAILS

Dear smokers and drink lovers,

My name is Rolando Lavin Blanco and I give you my warmest welcome to the Black Smoke Bar.

Here you can enjoy a great selection of cocktails, whiskeys, rums, tequilas, spirits and what I cannot fail to mention is our respectable selection of beers thanks to our neighbours "The Koninck brewery". All this accompanied by a great meal.

With a lot of love for the art of mixing, our passionate bar team will make the charm come true!

Please feel at home as we do, enjoy as we enjoy and don't forget: We are here for You!

Here at the Black Smoke we are very concerned about all the plastic waste in our oceans, so we decided to do something about it.

We are trying to ban as much plastic out of our business as possible, and one of the measures we've taken is to get rid of our plastic straws.

So the straw in your drink may not be the straw you are used to, but straw, paper or PLA straws are our little way of helping the environment and making this planet a better place.

AMERICAN WHISKEY

American whiskeys may often be categorized as pertaining to toastiness, spice and vanilla sweetness. This is in large part due to the generous use of new charred oak. Due to the excellent pairing with our barbecue dishes, we are, with good reason, big fan of our American whiskeys, in particular the selection of our Tennessee Whiskey selection.

JACK DANIEL'S TENNESSEE WHISKEY

OLD NO. 7 40% € 8,00

Mellowed drop by drop through 10 feet of sugar maple charcoal, then matured in handcrafted barrels of our own making. And our Tennessee Whiskey doesn't follow a calendar. It's only ready when our tasters say it is. We judge it by the way it looks. By its aroma. And of course, by the way it tastes. It's how Jack himself did it over a century ago. And how we still do it today.

JACK DANIEL'S TENNESSEE WHISKEY

BOURBON & RYE

MICHTER'S BOURBON € 13,00

Teasing with caramel, vanilla and dried fruit notes, this is a very pleasant drink to both spend time with and to enjoy throughout the night. Their Master Distiller, Willie Pratt, has been in and around the whiskey industry for over forty years, he is lovingly referred to as Dr. No as he will never allow any casks to be released or bottled until they are just right meaning these Bourbons are typically aged longer than other producers would otherwise age theirs.*

MICHTER'S BOURBON 10 Y €9,00/CL

A single barrel bourbon whiskey distilled by the legendary Bomberger's Distillery in Schaefferstown, Pennsylvania. Charles Everett Beam previously introduced the unique sour mash whiskey to Michter's. The maturation takes place in new oak barrels that are roasted to give the whiskey its unique taste. 10 year old Michter's has a ripe and complex body with fine notes of johnny cakes and cherry jam. A rich bourbon in the purest form, ideal for the enthusiast and enriching for everyone.
