COCKTAILS

Here at the Black Smoke we are very concerned about all the plastic waste in our oceans, so we decided to do something about it. We are trying to ban as much plastic out of our business as possible, and one of the measures we've taken is to get rid of our plastic straws. So the straw in your drink may not be the straw you are used to, but are our little way of helping the environment and making this planet a better place.

AMERICAN WHISKEY

JACK DANIEL'S OLD NO°7

TENNESSEE WHISKEY 40% € 8,00

Mellowed drop by drop through 10 feet of sugar maple charcoal, then matured in handcrafted barrels of our own making. And our Tennessee Whiskey doesn't follow a calendar. It's only ready when our tasters say it is. We judge it by the way it looks. By its aroma. And of course, by the way it tastes. It's how Jack himself did it over a century ago. And how we still do it today.

Michter's US*1 Bourbon is made from a carefully selected mash bill that features the highest quality American corn. Produced in very small batches and aged for around eight years. Teasing with caramel, vanilla and dried fruit notes, this is a very pleasant drink to both spend time with and to enjoy throughout the night. Their Master Distiller, Willie Pratt, has been in and around the whiskey industry for over forty years, he is lovingly referred to as Dr. No as he will never allow any casks to be released or bottled until they are just right meaning these Bourbons are typically aged longer than other producers would otherwise age theirs.
