WE ARE PROUD TO PRESENT A UNIQUE COLLABORATION

PIPER-HEIDSIECK ESSENTIEL BRUT BY TASTE!

**GLASS € 12,00
BOTTLE € 69,00**

This unique champagne is a profound collaboration between Emilien Boutillat, the Chef de Cave of Piper-Heidsieck, and Kasper Stuart from the Taste! Restaurant & Bar Group.

It's a perfect festive aperitif champagne for any celebration but also especially made to pair with the bold dishes of Black Smoke.

This champagne is from the harvest of 2014 and has ripened in the cellars for five years before it was disgorged in 2020.

It is a blend of 47% pinot noir, 31% meunier and 22% chardonnay grapes and 18% of this champagne are the finest reserve wines.

It boasts a precise, well-rounded and elegant profile. Its precision and remarkable balance make it an ideal companion for gastronomy. The nose initially delivers initial notes of white peach, brioche, grapefruit and candied quince, developing towards aromas of toasted almonds. The palate is creamy and fresh. The length is remarkable and the finish on mineral notes pairs perfectly with a refined cuisine. Extra Brut at 6 gr/l

SYRAH, LATAKIA, SYRIA**

World's most dangerous wine.

A BS suggestion. Karim and Sandro Saade have not been able to visit their vineyard for several years, but they still continue to make wine each vintage with their Syrian winemaking team, on the phone. The Saade's vineyard is in Northwest Syria, on the slopes of the coastal mountain range. It is currently Syria's only surviving commercial winery since the war broke out in March 2011. *"What started as a venture has turned into a challenge. An act of perseverance"*, say the Saades. Don't like risk but do like wine? Then just come dine with us and have a bottle, it's safer that way.
