## **PIPER-HEIDSIECK ESSENTIEL BRUT BY TASTE!**

This unique champagne is a profound collaboration between Emilien Boutillat, the Chef de Cave of Piper-Heidsieck, and Kasper Stuart from the Taste! Restaurant & Bar Group.

It's a perfect festive aperitif champagne for any celebration but also especially made to pair with the bold dishes of Black Smoke.

This champagne is from the harvest of 2014 and has ripened in the cellars for five years before it was disgorged in 2020.

It is a blend of 47% pinot noir, 31% meunier and 22% chardonnay grapes and 18% of this champagne are the finest reserve wines.

It boasts a precise, well-rounded and elegant profile. Its precision and remarkable balance make it an ideal companion for gastronomy. The nose initially delivers initial notes of white peach, brioche, grapefruit and candied quince, developing towards aromas of toasted almonds. The palate is creamy and fresh. The length is remarkable and the finish on mineral notes pairs perfectly with a refined cuisine. Extra Brut at 6 gr/l

## SYRIA

### BARGYLUS

#### CABERNET SAUVIGNON, MERLOT, SYRAH | LATAKIA

World's most dangerous wine. A BS suggestion. Karim and Sandro Saade have not been able to visit their vineyard for several years, but they still continue to make wine each vintage with their Syrian winemaking team, on the phone. The Saade's vineyard is in Northwest Syria, on the slopes of the coastal mountain range. It is currently Syria's only surviving commercial winery since the war broke out in March 2011. "What started as a venture has turned into a challenge. An act of perseverance", say the Saades. Don't like risk but do like wine? Then just come dine with us and have a bottle, it's safer that way.

## THE HOLY GRAIL OF THE BBQ WORLD

### AALTO

#### TEMPRANILLO | RIBERA DEL DUERO, SPAIN

The magnificent Aalto has ranked among Spain's absolute best in less than 15 years. Their wines are characterised by elegant power and age gracefully. Complex ensemble of blackcurrant, toast, mocha and earthy notes. The palate is particularly deep and full of ripe dark red fruit. Mariano García studied at the "Escuela de la Vid y el Vino" in Madrid and made his first harvest in 1968 at Vega Sicilia, where he developed his professional career as Technical Director of the company for 30 years, until 1998. In 1999, he founded Bodegas AALTO. The wines unite the power and structure with elegance and complexity.

**ALEXANDER VS THE HAM FACTORY  
MALBEC, CABERNET SAUVIGNON, MERLOT, TEMPRANILLO  
RIBERA DEL DUERO, SPAIN**

The Duero wine you wouldn't expect! Dark fruit in nose and mouth, smokey notes, and cocoa. In short, a solid red wine that goes wonderfully with a succulent piece of meat! Initially this was a collaboration of four couples. But one couple no longer felt like collaborating, hence the missing leg of flesh and blood of the pig.

**CLOS DU MARQUIS GRAND VIN 2016 - ST JULIEN  
CABERNET SAUVIGNON 66%, MERLOT 24%, CABERNET FRANC 9%,  
PETIT VERDOT 1% | BORDEAUX, FRANCE**

Parker 94/100

Wine Spectator 93/96

No longer the second wine of Léoville Las Cases! As of 2010, this cru encompasses all the plots that lie outside the walled vineyard of Léoville Las Cases, i.e. the other side of the road. These terroirs are great, as they are surrounded by several 2nd Crus of St Julien and Pauillac. Clos du Marquis is a mighty wine from Hubert Delon, and is much cheaper than his Léoville Las Cases, but is vinified by the same team and with the same techniques. On the nose, this wine expresses intense notes of black fruits (black cherries) and balsamic scents of cedar. The entry in the mouth is dynamic, with a very nice acid support and develops into a powerful mid-palate, structured with elegance but with a tannicity that impresses by its precision. A Clos du Marquis that is astonishing in its power and balance. Superb!

Wine Spectator 93/100

This estate has enjoyed a high reputation for decades, ranking among the crème de la crème of Burgundy. Michel Gros, now assisted by his son Pierre owns, among others, the highly reputed '1<sup>o</sup> cru Aux Brûlées' in Vosne-Romanée. Exceptional class, very limited volumes. Youthful, compact nose of floral raspberry and cherry fruit, cedar and cinnamon spices. A concentrated palate of wild strawberry and red cherries, stylish oak and a sappy, mineral finish.

The colour is brick red and the beautiful acids give this rosé its freshness.
