WE ARE PROUD TO PRESENT A UNIQUE COLLABORATION

PIPER-HEIDSIECK ESSENTIEL BRUT BY TASTE!

This unique champagne is a profound collaboration between Emilien Boutillat, the Chef de Cave of Piper-Heidsieck, and Kasper Stuart from the Taste! Restaurant & Bar Group.

It's a perfect festive aperitif champagne for any celebration but also especially made to pair with the bold dishes of Black Smoke.

This champagne is from the harvest of 2014 and has ripened in the cellars for five years before it was disgorged in 2020.

It is a blend of 47% pinot noir, 31% meunier and 22% chardonnay grapes and 18% of this champagne are the finest reserve wines.

It boasts a precise, well-rounded and elegant profile. Its precision and remarkable balance make it an ideal companion for gastronomy. The nose initially delivers initial notes of white peach, brioche, grapefruit and candied quince, developing towards aromas of toasted almonds. The palate is creamy and fresh. The length is remarkable and the finish on mineral notes pairs perfectly with a refined cuisine.

CLOS DU MARQUIS GRAND VIN 2016 - ST JULIEN
CABERNET SAUVIGNON 66%, MERLOT 24%, CABERNET FRANC 9%,
PETIT VERDOT 1% | BORDEAUX, FRANCE

Parker 94/100

Wine Spectator 93/96

No longer the second wine of Léoville Las Cases! As of 2010, this cru encompasses all the plots that lie outside the walled vineyard of Léoville Las Cases, i.e. the other side of the road. These terroirs are great, as they are surrounded by several 2nd Crus of St Julien and Pauillac. Clos du Marquis is a mighty wine from Hubert Delon, and is much cheaper than his Léoville Las Cases, but is vinified by the same team and with the same techniques. On the nose, this wine expresses intense notes of black fruits (black cherries) and balsamic scents of cedar. The entry in the mouth is dynamic, with a very nice acid support and develops into a powerful mid-palate, structured with elegance but with a tannicity that impresses with its precision. A Clos du Marquis that is astonishing in its power and balance. Superb!

World's most dangerous wine. A BS suggestion. The Saade's vineyard is located in Northwest Syria, on the slopes of the coastal mountain range. It is currently Syria's only surviving commercial winery since the war broke out in March 2011.

"What started as a venture has turned into a challenge. An act of perseverance", say the Saades. Don't like risk but do like wine? Then just come dine with us and have a bottle, it's safer that way.
